March 1998 - Agenda

Director’s Report

The snowy plover training workshop is scheduled for Saturday, March 14, 1998.

Status Report on Current Projects

Scott Creek Beach: The County Planning Department has reviewed the Federal Highways Administration (FHWA) concerns and has responded with their own comments. Concerns and comments from both agencies revolve primarily around format and accuracy of the environmental document. At this time, the County is waiting for the FHWA’s review of the comments from the Planning Department before corrections to the environmental document can be made and the document resubmitted to FHWA for final authorization to publish for public review.

April 1998 - Agenda
