**No Scott Creek Beach Report**

**July 9, 2007 – Agenda**  
**Maintenance Division – Status Report**

Staff are continuing to assist the Point Reyes Bird group in building enclosures for the nesting Snowy Plovers on Scott Creek beach. Two additional enclosure were built this month.

**August 13, 2007 – Agenda**  
**Maintenance Division – Status Report**

Staff installed some additional signage on Scott Creek Beach to help protect the lagoon fish breeding habitat. Unknowing Park users tried to breach the lagoon water by digging a trench to the ocean. This breaching is disruptive to the fish breeding process. Staff worked with the National Marine Fisheries Service on the sign design and placement..
