

**January 2020 – No Meeting  
No Division Reports**

**February 3, 2020**

**Director's Report**

Regarding Scott Creek, I did communicate with the deputy director of Fish & Wildlife, Alex Pitts. We had a long conversation about the biological opinion and its connection to construction projects. I'm going to have another conversation with our attorney. It's all quite convoluted, but I am following up and trying to get it straightened out.

**No Scott Creek Beach Report**

**April 2020 – Meeting Cancelled**

**June 8, 2020**

**No Scott Creek Beach Report**

AmeriCorps Gold 7 Team members worked up at Scott Creek twice removing ice plant.
